CHRISTIAN CHURCH CONCORDIA

WE ARE CHURCH
WE ARE FAMILY

OUR HISTORY: **THE CHURCH**

It was founded in 1995, born from God's calling and the commitment of the Bolos family who, moved by their love for Christ, came as missionaries to our community in Pachacutec with the desire to share the Gospel. With hearts ready to serve, they began meeting with some local families, sharing the Word of God and sowing hope amidst the spiritual and social needs of the time. What began as small, open gatherings grew thanks to the guidance of the Holy Spirit, the missionaries' dedication, and the community's response.

MISSIONS

JULY

For nearly ten days, we were blessed to receive a group of missionaries who visited our city of Arequipa, our church, and our community. Their presence was an opportunity to share, serve, and strengthen the bonds of brotherhood in Christ. We thank God for their lives, for their willingness to serve, and for the love they shared with our congregation and community. We pray that the Lord will continue to guide their steps and use their lives to extend His Kingdom.

PROJECT

NURSERY IMPLEMENTATION

During their visit we were blessed to receive our missionaries in Arequipa, who served with joy and willingness in different areas of our church and community.

In the Nursery area, they collaborated in the organization and adaptation of the meeting space, installed a television to broadcast the service while the staff take care of the children, and donated a rocking chair and a children's playpen, thus contributing to providing a more comfortable, safe and suitable space for our little ones.

MINISTRIES:

LADIES' NETWORK

With great joy and gratitude to God, we had a beautiful time of fellowship at our Christian women's meeting, where we were blessed with a visit from our missionaries. They shared their experiences, testimonies, and some of the work they are doing in service to the Lord, allowing us to learn about their challenges, joys, and how God has opened doors for them to share the gospel.

It was a special time of learning, fellowship, and edification, reminding us that we can all be part of God's mission through prayer, support, and service. We thank the Lord for the lives of our missionaries and for allowing us to share this meaningful encounter as sisters in Christ.

VISIT TO **COLCA CANYON**

During their visit to our city of Arequipa, our missionaries also had the opportunity to explore some of its main tourist attractions and landmarks. This tour allowed them to learn more about the history, culture, and current situation of our city, gaining a deeper understanding of the community's context.

Beyond simply experiencing its attractions, each visit was an opportunity to observe, listen, and connect with the people, their customs, and their way of life. We thank God for allowing them to have this experience, which helps strengthen their understanding of Arequipa and develop a ministry that is closer, more sensitive, and more committed to our community.

PRAYING FOR THE **ICC PROJECT**

With profound gratitude to God, we dedicate this temple project and its ministries to His glory and eternal purpose. We acknowledge His faithfulness at every stage, His provision for every need, and His guidance in every decision. This temple is not merely a building, but a place consecrated for worship, teaching, restoration, and service. We thank every person, family, and ministry that has sown with love, effort, and prayer to make this vision a reality. May every stone laid, every hand that served, and every heart that believed receive abundant blessing.

To God be all honor and glory, now and forever.

- Collect a total of \$7,000.
- Begin the third stage of the stucco work (mezzanine, front, and bathrooms).
- Install the roof over the entire temple area.

OUR FAMILIES

AYMARA VALERIANO

The family of our beloved brother Leo and Milagros is a beautiful example of faith and service. Their family not only loves God with all their hearts, but also actively lives their faith by serving in the local church. Each of their children has grown up in an environment of Christian love. What distinguishes them even more is how they have managed to unite their professional vocation with their spiritual calling: as experts in the areas of advertising and communications, they have placed their talents at the service of the Kingdom of God. Their testimony reminds us that when we place our abilities in God's hands, He multiplies them to bless others.

Thank you for being a light and example among God's people!
